

When planning your meeting consider allowing some time for a team building activity or health break.

**Marsh Walkabout** *(Seasonal Theme)*

Discover Oak Hammock Marsh as we hike along the trails. Binoculars and field guides are provided. Winter walks are conducted on snowshoes!

**Aboriginal Games** *(Year-round)*

Games are an important part of every nation, culture, family and relationship. Different games build different skills: social games build cooperation and communication skills, strategy games help develop problem solving and critical thinking. Discover your strength through Inuit back push or test your teamwork skills through a game of doubleball.

**Geocaching** *(Year-round)*

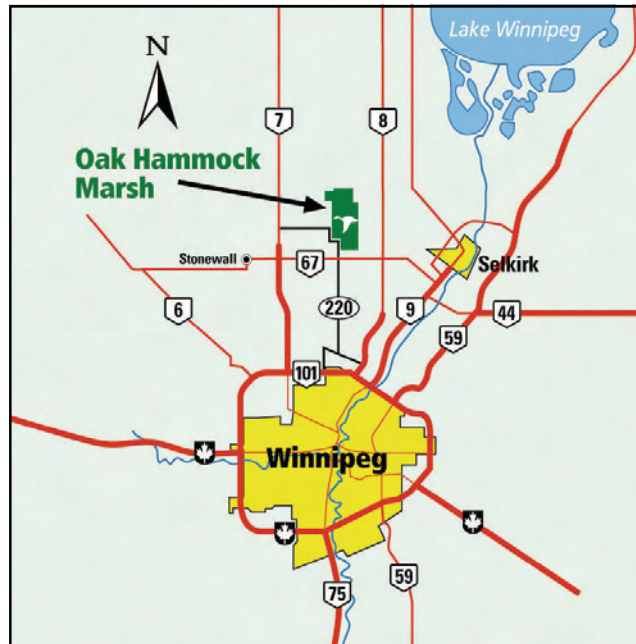

Learn how to use GPS to explore the marsh while searching for geocaches, small boxes hidden containing logbooks to sign your name and items for trade. This can be customized into a half day or full day Marsh Mystery Challenge for your group.

**Voyageur Canoe Excursions**

*(May to October)*

See the marsh from a new perspective in three, 10-passenger voyageur-style canoes. Get a duck's eye view of the plants and animals that call the marsh home. You provide the paddle power!

Package prices start at \$11.00/person.
