March 29 to April 1 — Spring Break Week

Visit us during spring break for a fun-filled week. To keep everyone busy and entertained, each day will include themed activities such as water, weather, sports and wetland wildlife.

March 29 to April 1 — Spring Camp

Oak Hammock Marsh Interpretive Centre is offering day camps for children aged 6 to 9. Camps run daily from 9 a.m. to 4 p.m. Each day has a different theme with fun-filled indoor and outdoor activities that could include scavenger hunts, animal tracking, tasty bonfire snacks, wacky experiments and nature crafts.

April 2 to 4 — Easter Weekend

Play Bunny Bingo at select times throughout the day or take part in a GPS egg hunt daily at 2 p.m. Kids can participate in the annual Easter Egg Hunt on Sunday.

April 15 — Astronomy Night — "Telescopes"

From Galileo's great inspirations to the Hubble's staggering discoveries, the telescope has expanded our understanding of the cosmos beyond what ancient people could have imagined. Learn the differences between some models of telescopes and find out what equipment

is best suited for your needs. Rooftop observation will follow an indoor session.

April 22 — Earth Day Celebration

Celebrate Earth Day with a fun-filled day for the whole family! Take part in a litter walk or a vermicomposting workshop (2 p.m.) and find out how the Centre is a green building.

April 25 — Gardening Green Workshop

Find out how to incorporate native prairie plants in your garden. Learn about natural fertilizers as well as insect and disease control. Pre-registration is required. Workshop fee is \$5 plus admission.

April — Frog Survey

Help us count the breeding frogs. Learn which frogs call Oak Hammock Marsh home. Join an interpreter on the daily frog survey at 4 p.m. starting April 12.
