

INTERNATIONAL DAY FOR BIODIVERSITY CELEBRATION

May 19 to 21 – Events List

- **Wetland surveys (dragonfly 1 p.m., frog 4 p.m.)** - Participate in one of our many wetland surveys and discover hands on the diversity of a prairie wetland.
- **Canoe Adventure** - select times during the day - Explore the marsh from a bird's point of view as you paddle in one of our 3 Voyageur-style canoe for 45-minute to one-hour excursion. Extra fee of \$5 for non-members of the Interpretive Centre and \$3 for members apply to this ride (weather dependant).
- **Behind the scenes Critter feeding - 3 p.m.** - See how we prepare the food for our live animals that live in aquariums at the Interpretive Centre and learn interesting facts about them.
