

# World Day for Water

## March 22 – Events List

- **Craft - from noon to 4 p.m. in the lobby** – Water bugs - Make a variety of water bugs out of recycled materials including water mites, caddisfly larvae, dragonfly larvae etc. These bugs live in wetlands and are an important food source for ducks.
- **Films and Slide Shows** - Enjoy nature films and slide presentations offered throughout the day in the comfort of our Theatre. Films such as **S.P.L.A.S.H** , **The Living Sea**, and **Paddle to the sea** are a must for today.
- **Face Painting** – select times throughout the day - Have your favourite animal painted on your cheeks by one of our artistic nature interpreters.
- **Water activities from Project WET** – select times throughout the day - Let an interpreter show you some exciting and fun water activities. Learn to play the **Incredible Journey**, **Aqua Bodies**, and **H2O Olympics**.
