### March 10 — Identifying Insects in Your Backyard

Insects are an important part of any ecosystem, including your own backyard! Learn how to identify and attract beneficial insects to your garden through plant diversity and create insect habitat at the same time!

Pre-registration is required. Workshop fee is \$5 plus admission.

### March 15 — Astronomy Night – "Spring Constellations & Planets"

Discover the many spring constellation stories as we explore the night sky. A special theatre presentation will be followed by a stargazing session from the rooftop observation deck.

### March 22 — World Day for Water

What better place to celebrate the annual World Day for Water than Oak Hammock Marsh? Take in fun water activities from Project WET.

### March 24 — Kid's Nature Craft Club

Learn all about birds and make a bird themed board game to take home and play with your friends. Most appropriate for children ages 5 to 10. Pre-registration is recommended. Workshop fee is \$5 plus admission. Join us at 1 p.m.

### March 25 — Snowbird Beach Day

Heat things up at the Centre's annual beach party. Discover why Manitoba birds migrate for the winter and meet their southern hosts with the Parrot Club of Manitoba. Enjoy tropical music and learn the basics of Salsa dancing.

### March 26 to 30 — Wild, Weird and Wonderful Week

Visit the Centre during spring break and meet the Wild, Weird and Wonderful creatures of the Marsh. Crafts, films, and micro video presentations will let you see just how fascinating the creatures of the marsh can be.

### March 26 to 30 — Spring Camp

Oak Hammock Marsh Interpretive Centre is offering day camps for children ages 6 to 9. Camps run daily from 9 a.m. to 4 p.m. Each day has a different theme with fun-filled indoor and outdoor activities that may include scavenger hunts, animal tracking, tasty bonfire snacks, wacky experiments and nature crafts. Register today!
