## Greetings!

Welcome to the Oak Hammock Marsh Interpretive Centre Newsletter. Here are some upcoming and noteworthy events happening this month.

## World Wetland Day / Groundhog Day

February 2

Join us on February 2 to learn more about wetlands as Oak Hammock Marsh, a Wetland of International Importance, proudly celebrates **World Wetlands Day**.

Manitobans also mark February 2 as the day they find out if spring will arrive early.

While ordinary groundhogs living in Manitoba are still sleeping soundly in early February, **Manitoba Merv**, the weather predicting groundhog, takes on the annual task of coming out of his den to announce the arrival of spring.

If **Merv** sees his shadow at sunrise, a late spring will follow. But if no shadow is seen, an early spring is on its way!

## Battle of the Bannock

February 4

Join us for our very first edition of the **Battle of the Bannock** where, after learning bannock making basics, participants will test their culinary skills over an open fire.

Our judges will determine which bannock has the best texture, consistency and, of course, taste.

Prizes will be awarded to the winners.

## Decoy Carving Workshop - Greater Scaup

February 5, 12 and 19 - 9 a.m. to 4 p.m.

Learn to carve your very own Greater Scaup decoy from award winning carvers. This three-day course will teach you the classic North American art of decoy carving.

Pre-registration is required. Workshop fee is **\$100 for Oak Hammock members, \$120 for non-members**.

## Astronomy Night - Auroras

February 16 - 7 p.m.

Learn about the beautiful auroras, also called northern lights in the northern hemisphere, with **Gerry Smerchanski** from the **Royal Astronomical Society of Manitoba**.

An indoor presentation in our theatre will be followed by an outdoor observation session with telescopes from the rooftop.

Members \$5, non-members \$10.

## Birding Hour Workshop - Bird of Grenada

February 18 - 1 p.m.

Our Resident Naturalist, **Paula Grief**, had a chance to teach a bird banding session on the island of Grenada.

Join us as she guides you through the avian world of this tropical island.

Workshop fee is **\$6 plus admission**.

Pre-registration required.

## Voyageur Day

February 20

Bring the whole family out and test your Voyageur skills through activities such as **Voyageur Challenge** and **Bannock Tossing**.

You can also learn how to make your own delicious Bannock at 11 a.m. & 1:30 p.m.

Bring your skates and gently glide on **Cattail Pond** or take up sponge hockey in the sheltered bay. Sticks, nets and pucks are available for your use.

Try your hand at **Snow Sculpting**. Bring your own tools and imagination. Some tools will be available to borrow (12 to 3:30 p.m.).

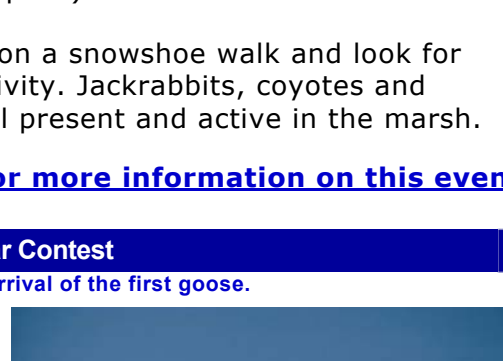

Join an interpreter on a snowshoe walk and look for clues of wildlife activity. Jackrabbits, coyotes and winter birds are still present and active in the marsh.

## First Goose of the Year Contest

Until February 28 or the arrival of the first goose.

Make sure to enter our **First Goose of the Year** contest, which for us marks the official arrival of spring.

Guess the date and time of the arrival of first Canada Goose at **Oak Hammock Marsh** and you could win a family membership for one year!

Traditionally, the first goose arrives between the end of February and the end of March. Last year, the first goose was seen on March 10th.

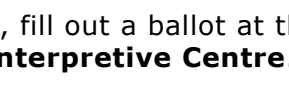

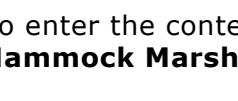

To enter the contest, fill out a ballot at the **Oak Hammock Marsh Interpretive Centre**.

The contest will close on February 28 or when the first goose is seen.
